EXPERIENCE

Embark Veterinary — Senior Software Engineer

November 2021 - Present

Promoted twice: *Software Engineer I* → *II* (Apr 2023) → *Senior Software Engineer* (Oct 2025)

- Architected Embark's first LLM-driven content system, building full-stack infrastructure to generate personalized content
- Designed end-to-end event-driven pipelines connecting backend services and frontend applications
- Collaborated with Product and Design to ship customer-facing features improving onboarding and engagement
- Established KPI framework and implemented analytics instrumentation (Heap, Iterable) to enable data-driven experimentation across lifecycle flows
- Led development of internal admin platforms supporting customer operations and cost reporting
- Improved reliability and observability through enhanced error monitoring and third-party tooling
- Mentored engineers through code reviews, pairing, knowledge sharing sessions, and onboarding

VoltServer, Inc — Software Engineer

June 2020 - November 2021

- Implemented core embedded application features to improve hardware management software, enabling more reliable control of Digital Electricity™ power distribution systems
- Collaborated cross-functionally with hardware engineers to deliver features aligned with product release cycles, helping accelerate time-to-market for new devices

Previously worked as Engineering Intern in summer 2019

Bottomline Technologies — UI Development Intern

May 2018 - August 2018

- Handled codebase refactoring and upgrading from ES5 to ES6
- Increased unit test coverage and reliability
- Improved adherence to WCAG accessibility standards

SKILLS

Development

Languages & Frameworks

TypeScript, JavaScript, Python, Node.js, React, Next.js, GraphQL

Databases

PostgreSQL

Cloud & Infrastructure

AWS, Docker, CI/CD

Testing & Quality

Jest, React Testing Library

Analytics

Metabase, Heap, Iterable

Design and Collaboration

Figma, Adobe Creative Suite, Agile methodologies

EDUCATION

Rochester Institute of Technology

BS, New Media Interactive Development

Summa Cum Laude

Minor in Advertising and Public Relations

HOBBIES

Rock climbing

Animal rescue volunteering

Hiking

Cooking

Piano
